Re-Organization

Name a Chairman and Secretary for 2019 - Brandon Clark nominated Mark Harris as Chairman and himself as Secretary, Mark Harris seconded, and the motion carried.

Business from the Floor - None

Old Business

Blue Rock Road and Ironstone Ridge Road – Chairman Harris gave an update regarding an article received from a resident pertaining to the visibility at this location. Mr. Harris noted the intersection is signed properly and Chief Graeff ordered a traffic study reflecting on accidents. PennDot was notified by the Township and they have agreed to enhance the intersection by placing pavement markings on the roadway in the early Spring.

Millersville Road and Charlestown Road – Chairman Harris commented on an email that was received about a year ago with concern of traffic traveling Northbound on 741. The concern is with the cars stacking in the shoulder intending to go North while people turning left are in the proper travel lane. However, some vehicles going straight through remain in the proper travel lane which could result in an accident. Mr. Harris has recently received a second email from the same resident. The response to her was the same as before and that is that nothing will be done at this time. Mr. Harris has submitted information to the Transportation Initiative Program (TIP) requesting to have the lane widened. The TIP program allows municipalities to submit projects for funding.

New Business - None

With no further business to discuss, Mark Harris entertained a motion to adjourn the meeting. Brandon Clark so motioned, Mark Harris seconded, and the meeting adjourned at 8:36 a.m.

Respectfully Submitted,

Brandon Clark
